The introduction of Octroi into the town of Tiptur.

Note.

(1) In Pro. no 6946-I-1·7 73-95 dt 6-11-02, sanction was accorded to the introduction of Octroi into the Tiptur Municipality on the following articles at the rates specified against them, with effect from 1st December 1902, with the observation that the result of this taxation should be reported at the end of June 1903:-

2. Kerosine oil at one anna per tin.
3. Tobacco at one Rupee a maund.
4. Piece-goods both foreign and swpore made at 2% ad. valorem.

(2) The revenue expected from the imposition of the Octroi duty was Rs 1800 per annum.

(3) But the Residents of the Tiptur Town complained to the President that the levy of Octroi on piece-goods would gradually diminish trade in their town as cloths manufactured in the adjacent villages and those imported from outside the

The income from tolls is estimated at Rs 3000 per annum.

(4) The Municipal Board of Lepton are agreeable to the proposed substitution.

(5) But the President considers that a fair trial for one year at least should be given to Octroi which was but recently sanctioned, and that the new proposal be, should be deferred till the end of that period. It is submitted that the Government declined to sanction a similar proposal, Viz. the substitution of tolls, made by the President of Chitaldrug for the Harihar Municipality. (Please See Pro. No 11568 / F 740-98 D 10-2-03

In G.O. No 3 6946-7 L.R. 73-95 dt 6-11-02, sanction was accorded to the extension of octroi into the towns of Tiptur with effect from 1st December 1902, and also to designate one of the conservancy peons as Mutsaddi on Rs 10 p.m. for the purpose of the collection work with the observation that the result of this new taxation should be reported at the end of June 1903.

#2398 / 1209 24-11-03

Accordingly the President now reports, that the income for the 7 months from 1st Dec. 1902 to 30th June 1903, amounted to Rs 1308 or Rs 308 more than what was estimated (Viz Rs 1000) for the whole year; that the collections for the last 4 months alone, from 1st July 1903 to 30th Oct 1903, came up to Rs 1065; and requests, on the recommendation of the Dist Board

sanction for the entertainment of a Mutsaddi on Rs 10 and a ... of a Kolkaw on Rs 6 p.m. in ~~addition to the~~ created under the ~~necessity~~ for watching the Akkads. The Board also proposes to allow the Mutsaddi R. 1 per mensem for contingent expenses, but the President makes no mention of it in his letter.

As the Board expect an average collection of Rs 200 per mensem the total cost of establishment as now proposed, will amount to Rs 17 a month, & this will be less than the prescribed limit viz 10 p.c of the total collection. The President's letter is also silent as to whether the menace allowed to the conservancy peon from 6½ to 10 p.m will be withdrawn when the above two hands are employed on ~~watch~~ the ~~watching~~ work. The President has omitted to report whether in addition to the conservancy peon who has been designated Mutsaddi on the increased rate of

of pay of Rs 10 p.m. on the employment of a Kolkar on Rs 6 p.m. is not sufficient and why the Board's recommendation of 1 Re for contingencies does not find place in the Presidents' communication.

Sir,

In reply to your docket No. 2607 dated LF 73-95
22nd December 1903 calling for further information
regarding the recommendation of the Tiptur
Town Municipal Board to entertain a
Muntsaddi on Rs 10/- and a Kalkar on Rs 6/-
per mensem to look after the collection work
and the watching of the Akkadias, I have
the honor to state that the question was again
referred to the Municipal Board for con-
sideration and the Board considers that the
entertainment of the two additional hands
is very essential to safeguard the interests
of the Municipality. The Board also thinks
that when these additional men are enter-
tained, the increase of pay from 6½ to 10
rupees

rupees allowed to one of the two conservancy peons in Government order 6946-7 LF 73-95 dated 6th November 1902 may be withdrawn. I solicit sanction to this proposal

2. The Board's recommendation to allow the 1/- for contingencies did not find a place in this office letter No. 239 SR 1 6 dated 24th November 1903, as it was included in the Budget Estimates of the current year, which have been sanctioned by Government.

3. The entertainment of the two additional hands, may, if sanctioned take effect from 1st July 1904.
